Good morning Lisa, Ms. Mew and Dr. Kitchens,
The 14 day estimate for the total would be about \$4,644, so each side would pay \$2,322.
The 30 day estimate for the total would be about \$4,104, so each side would pay \$2,052.
When you decide the timeframe just let me know and I will send you a Transcript Purchase Order form for you to sign and date.
I will send the invoice with the transcript and the invoice will have the price for you to pay only.
I don't need a down payment, you can just pay me when the transcript is delivered.
Thanks and have a great day,
Lynn

Hello Marcus,

What is your preference for proceeding? Please note that, if we go with the 30-day transcript, I may need to request an additional adjustment to the briefing schedule (in addition to pushing back the deadlines generally in light of the transcript scheduling) because I will be out of the office the week of July 23.

Also, please confirm that you agree to a request on behalf of the parties to strike the exhibits at Dkt. 65, which you filed last Monday. This filing includes exhibits that were not introduced into evidence as well as many documents containing your DOB. I can send an email to chambers on behalf of the parties.

Thanks,
Caroline

Good Morning Ms. Gligor,

I apologize for the delay and thank you for your email. I will agree to the 14 day transcript delivery. I think this will be best given the time frame.

Best Regards,

Dr. Marcus Kitchens Jr.
